From The Supervisor...Hilda

hmd_supervision@frankenlust.com

This summer we lost two of the old buildings here in the Township. Progress took Bergers Bar and the old Neumeyer garage next to it. The old gas station, which was built at least 70 years ago is one of the few historical buildings we had left. Berger has built at a new location. Do you know how old your house is? We have a lot of the that are over 100 years old.

We are looping a portion of our water system. A new line will be built going north on Fraser from Amelith to Weiss. We will also build a line going north on Seven Mile from Delta. They should be built yet this fall. IF, and that is one big IF, we can work out all the details we may get water to the Stone Island, S. Euclid area where the people have to haul all of their water.

Parts of Stone Island, S. Euclid, and Evergreen Dr. will be torn up this fall and left to sit over the winter. In the summer next year they will be chip and sealed. Expect lots of dust and loose gravel. These are the roads we will repair this year.

Have you heard of Zig Ziglar, Colin Powell, Rudy Giuliani, or Steve Forbes? The Board has tickets to hear them speak at the Palace. The tickets cost the same if five of us went or if a bus load went. So we are holding a bus to see if any of you would like to go. The bus cost is \$26.00 per person. The date is Wednesday, October 4th. Anyone wanting to go should get their money to Hilda ASAP. It will be a first come first serve. These are motivational speakers and will help everyone in many aspects of their life. Church leaders, business people, students, and individuals will all benefit from these speakers. We have half the bus filled with people from various boards, so do it now if you want to go.

This summer we lost our Chairman of the Planning Committee. Walt Eschenbacher served our Township well for many, many years. He is missed greatly and will be hard to replace. That, coupled with the retirement of Marlene Scheuerlein who also served many, many years, leaves us with some new faces on that board. I will appoint someone to take over for Walt at our September meeting. If anyone is interested and would like to be on one of our boards contact me anytime. It is very rewarding to help our Township.

See you at the dinner dance September 17th.

From the Weed Commissioner Norm Begick

I would like to take this time to thank everyone that cooperated with cutting their noxious weeds this season. For people with respiratory issues, weeds can be a real problem. Your neighbors appreciate your help. I still have a few property owners that I am working with to get

some weeds cut and I hope to have those properties cut very soon. Thank you to everyone for their patience. I hope your summer was fun and I wish you a safe fall and winter season.

125th ANNIVERSARY DINNER
Sunday, September 17, 2006
3pm – 9pm

You should have received a personal invitation. Tickets can be purchased at the hall until **Tuesday, Sept. 12, 2006**. We will sell a limited number of tickets at the door. Please call 989-686-5300 to reserve your tickets.
